AQUILA

POWER CATAMARANS

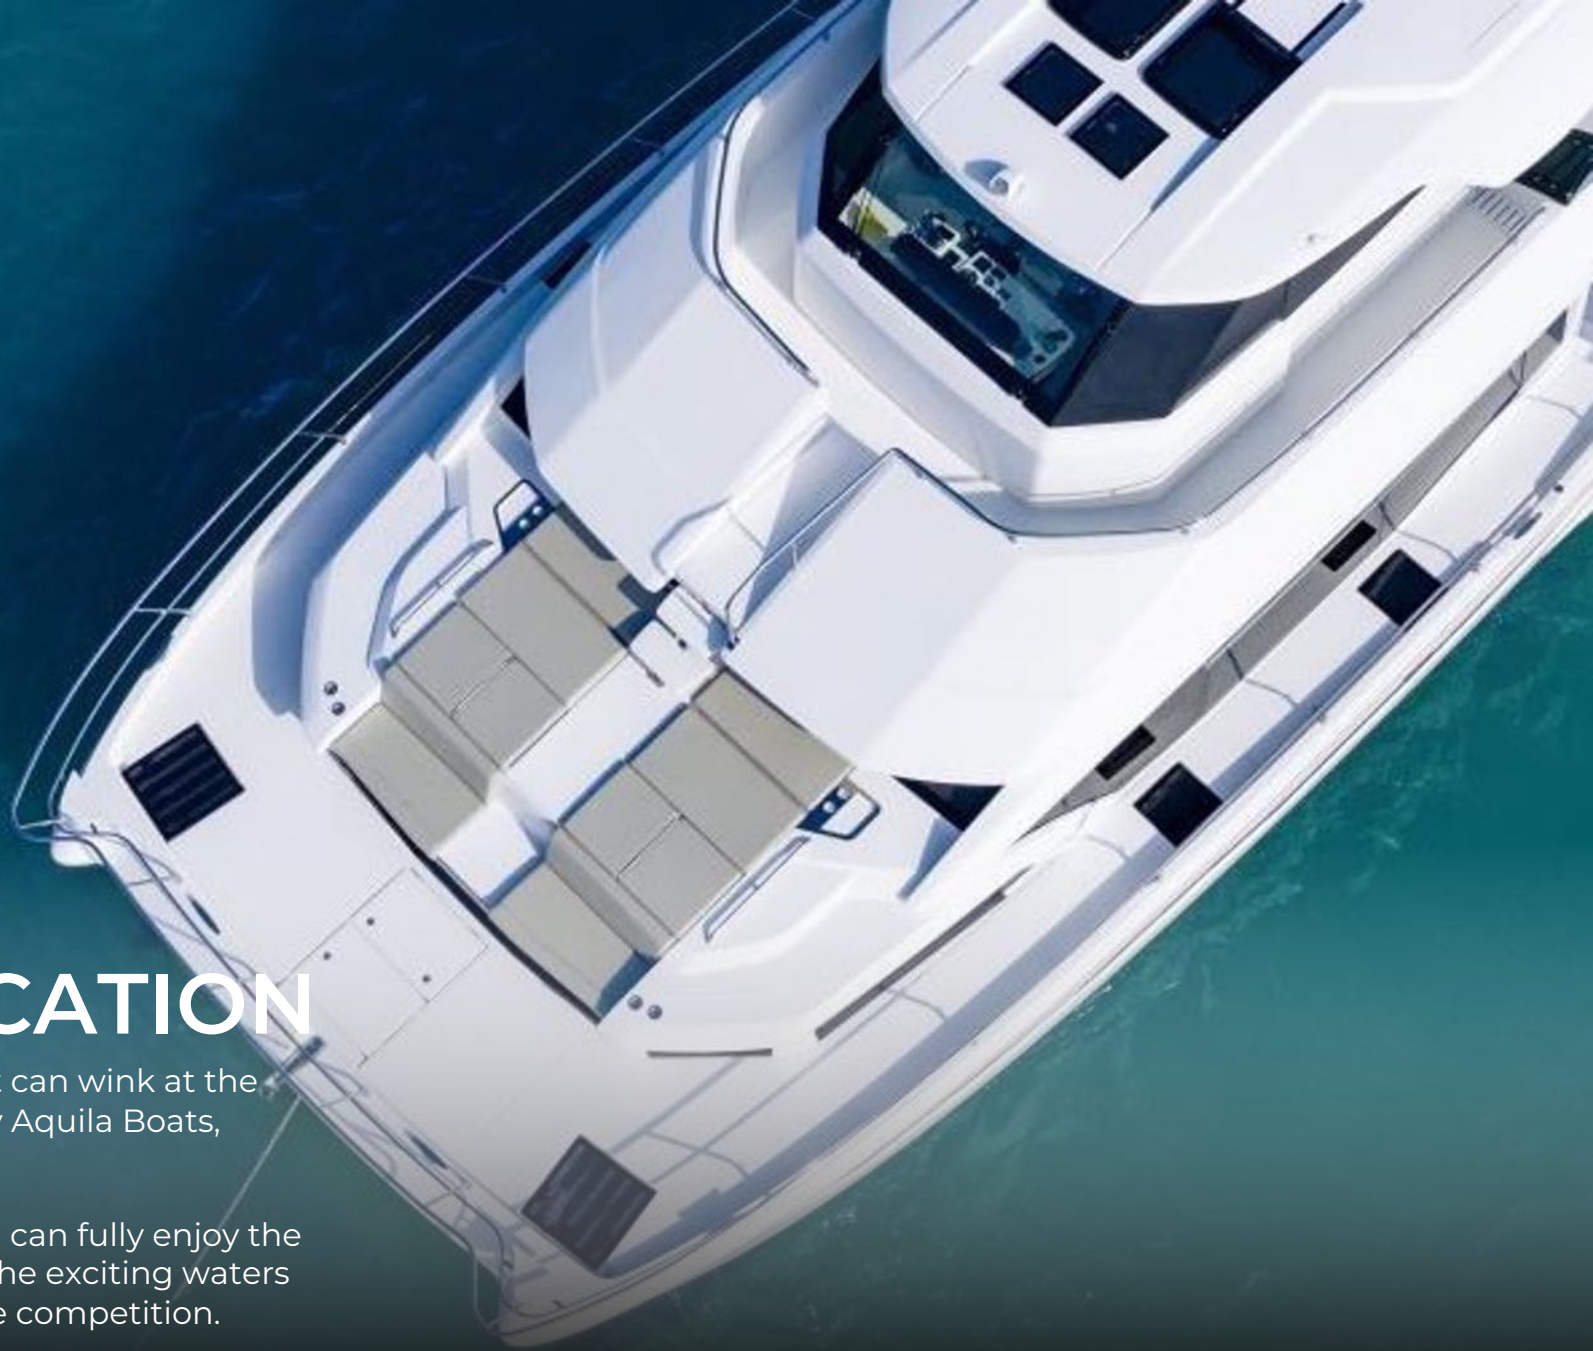

54

PREMIUM EMBARCATION

The new Aquila 54 Yacht is a power catamaran that can wink at the world of super-yachts. The product of work done by Aquila Boats, capable of speeds in excess of 24 knots.

We offer a variety of customizable itineraries so you can fully enjoy the Catamaran America's Cup in Barcelona, exploring the exciting waters and enjoying the vibrant atmosphere of this unique competition.

EXTERIOR

There are multiple relaxing, dining, and entertaining areas to please even the most discerning client, but also a great platform for inviting friends, family, and anyone else you want together.

Also on deck, two broadside walkways lead from the stern to the bow and vice versa, connecting the cockpit with the large forward spaces, served by two double sundecks and two settees facing forward.

LOUNGING, DINING & RELAXING

The vessel bodes exceptional fuel efficiency thanks to its unique and technologically advanced hull design. Enjoy comfortable cruising speeds exploring the Greek Islands without excessive fuel consumption.

The professional and experienced crew members are dedicated to making your journey a seamless and memorable one.

MULTIPLIE SPACE
